

Cat Tales

Editor: Cathy Hamm

Please Give Duncan A Reason to Smile!

Duncan (Front) - This gorgeous 7 year old Himalayan was surrendered to the shelter along with his companion, Dolly. As you can see from the photo, the pair enjoy snuggling together on their cat post.

The FVHS brought them to the vet for a health check and discovered that Duncan had extensive tooth decay and would need nearly of all his teeth removed. Dental disease in cats can lead to pain, infection and other serious health issues.

A few months ago a lovely cat named Thai came to us in need of dental work. Generous donors came through for her as the shelter did not have the funds. Now Duncan is hoping that someone will help him. With Kitten season just around the corner, his surgery has put a strain on the Shelter's meagre budget.

Please give Duncan a reason to smile and donate to his fund! Thank you!

Cross & Mimi looking for you!

Mimi (Left) - is a petite tortoiseshell looking for a special home. One day she walked into the condo of a nice man and made herself at home. The man fed and cared for her but it was not an ideal situation for either of them so he reluctantly brought her to the shelter. Mimi is a sweet, beautiful little cat who prefers to bond with one special person. Do you have a warm bed and a need for a loving companion? Come down to see Mimi at the shelter.

Cross (Right) - is also a petite, bob-tailed, young mom that arrived at the shelter expecting kittens; which she promptly had the very next day. Her kittens all found homes and now she is hoping to find her purrfect home as well. Cross is named for her distinctive and charming crossed eyes. Since she

experiences distorted vision, she needs a home that does not have a young children.

Adopted!

Kizmet - After looking at many wonderful cats in the shelter, Erin had her heart set on one special kitten.

Unfortunately, someone else was already interested so Erin would have to wait and see. Nine days later, she got the call that the kitten was hers!

Erin named her Kizmet, which means fate in Turkish "I don't know what I would do without her. She wants to be wherever I am. She is a princess and knows it, and I wouldn't have it any other way." Erin

Roman - was surrendered by his owner after he started urinating outside his litter box. The FVHS had him examined by a veterinarian and it was discovered that

he had a treatable urinary tract infection. He was given medications and his problem went away. Sadly, his previous owner did not want him back.

Luckily for Roman, a nice lady named Marge, paid a visit to the shelter and fell in love with him. Now he is on easy street in his new home.

Zeppelin - We adopted our beautiful black boy from the FVHS. His shelter name was George but since he is such a big kitty able to leap long

distances we decided that the name Zeppelin suits him more.

It became apparent that he had feline asthma and was having up to two attacks per day. With the help of our veterinarian, we have not seen any attacks in over a year.

Zeppelin is a healthy, handsome boy (13lbs) and he has brought so much love, affection, and fun into our home. We are so glad that we found him at the shelter. Darren and Tracey

Coco - Our newest family member is enjoying his new life alongside our other two cats, Thalia and Zu. The

three seniors can often be found snoring together on the bed. Lina

THANK YOU!

The FVHS would like to thank the district of Mission for renewing the fee for services grant for the services we provide to the community.

Thanks, also to all of the adopters  who participated in Royal Canin's "Feed a Friend" program. Your participation resulted in several large bags of food being donated to the shelter.

 And thanks to 1-800-GOT-JUNK for helping us tidy up our parking area.

A big thank you to Aldergrove Animal Hospital Staff for their Christmas donation to the Shelter!

Did you know, the FVHS accepts food donations from the public and local businesses? Cat food is kept for the cats and dog food is donated to the food bank here in Mission to be distributed to people in need of food for their pets.

Fundraisers Needed!

Are you experienced at organizing bottle drives, garage sales or other charitable events? Do you have great fundraising ideas and/or experience? We need you!

The shelter relies on the work of volunteers and donations. Bring us your talents! Having a garage sale this Spring? Donate the proceeds to the cat shelter.

Donations over \$20 are eligible for a tax deduction so it's a great way to help animals in need and clean out your basement too! We

can even help you advertise your sale and feature you in our next newsletter! Please note: we cannot accept any garage sale items at the shelter as we do not have the space.

Do you prefer to work directly with animals? The shelter is always in need of volunteers who can spare a few hours each week to help clean. Come on down for a visit or call 604-820-2977.

Larry McCaffery Was the lucky winner of our Raffle to win a pair of Canuck's Tickets. And it was a great game, too! Thank you to Able Auctions for their generous donation of the tickets and to all those who purchased tickets. The raffle raised over \$1000 for our cats!

What We Do For The Community

We provide a temporary home and veterinary care for unwanted or abandoned cats. All cats in our care are viral tested, spayed or neutered, vaccinated, wormed, treated for fleas and tattooed prior to adoption. Our cats are well socialized at the center before placement in a forever, caring home.

We also assist in public education of animal welfare and spay/neuter promotion. We provide community support through our in-house programs.

Recycle For Cats!

Take your bottles at Mission Return-It Bottle Depot on Park Street (Across from Esso).

Let them know you are donating to the FVHS!

Thank you to the local businesses enrolled in our membership benefit program!
