## Richard, Interior Designer For Cats!

The felines at the cat adoption center are enjoying their luxurious new enclosures with multi-layered perches interconnected by suspended walkways. This is thanks to a talented, hardworking volunteer named Richard, pictured standing in the new kitten enclosure.

Not only did he design this cat paradise himself but he built and painted it as well. He is now building more enclosures for the adult cats at the Center.

The funding for both projects came from the Mary Wakefield Animal Welfare Fund through the Abbotsford Foundation.

Come on down to check out the new cat rooms! We now have extended hours on Wednesdays!

## Summer Means Kitten Season Again

Kitten Season is in full swing and we will soon have our hands full! A few months ago Beyoncé came to us with her four black kittens (below).

More kittens are streaming in with the warmer weather. All of these tiny fur friends will need food, milk, veterinary care, vaccinations spaying or neutering and

homes! Kitten season is always the most costly time for the cat shelter. Please make a donation today to ensure these little cuties have a healthy, happy life!

## We Volunteers!

The shelter is always in need of volunteers who can spare a few hours each week to help. Come on down for a visit or call 604-820-2977.

A big thank you to John who baked up many butter tarts for our bake sale at Prospera Credit Union. All of the cakes, cookies, jellies and other goodies donated by our volunteers went fast!

10 yr old Ella (left) ran a table at the plant sale selling various items for the FVHS. She raised over \$230 for the cats! The winner of the gift basket was Crystal Doonanco.

Once again the ladies on 4th Ave. held a hugely successful plant Sale. Volunteers unloaded racks of hanging baskets, which sold like hot cakes!

Our Riley, pictured right, supervised all the sales once again.

## Lost & Found

Jake is a lucky boy! He was reunited with his family after someone spotted him on the FVHS's Lost and Found Registry.

With the lovely weather upon us, we remind people to be cautious with open doors and windows through which a pet might escape. Cats can also fall from apartment balconies and many are seriously injured or killed each year.

See our website to view or report lost or found pets

**What We Do For The Community**

We provide a temporary home and veterinary care for unwanted or abandoned cats. All cats in our care are viral tested, spayed or neutered, vaccinated, wormed, treated for fleas and tattooed prior to adoption. Our cats are well socialized at the center before placement in a forever, caring home.

We also assist in public education of animal welfare and spay/neuter promotion. We provide community support through our in-house programs.
