help keep
cats safe!

Cats may hide under cars or climb into the engine for warmth, getting trapped and sometimes killed when the car is started suddenly. Follow these tips before starting your car to help keep cats safe this fall and winter:

- Tap on your hood before getting into your car.
- Open and close your car door, then wait a minute.
- Honk your horn.

Keeping your own cat indoors is the best way to protect him from cars and other winter dangers, like hypothermia and antifreeze poisoning. To learn more about keeping your cat safe this winter, visit

Fundraising!

2022 brought back in person fundraising. We missed your smiling faces! It was great to have some amazing, well supported events, just to name a few; May hosted a 2 day garage sale, June - Beer and Burger, a few bottle drives along the way, October - paint night. FVHS was able to join Downtown Mission with handing out some goodies to all the dressed up children.

FVHS, understands that all the fundraising can seem overwhelming, but if it wasn't for wonderful people like yourself, staff couldn't provide the care we do for the felines that come to the shelter

Upcoming Fundraisers!

January will have two kick off fundraisers

- ◆ Bottle Drive (Volunteers needed)
- ◆ West Coast seed fundraiser

Board Position!

FVHS is currently looking for a volunteer treasurer to join our team of 5 directors. This is your chance to shape and direct the vision of this organization through sound fiscal management. The treasurer is the primary contact with our financial institution and responsibilities include budgeting, overseeing the bookkeeper, managing accounts and investments. As well as interpreting financial statements for board meetings. Is responsible for year-end using QuickBooks, this includes preparing lead sheets for the accountant. CRA reporting as required by the BC Society's Act. Lastly the Treasurer researches and writes all grant applications.

A finance background and working knowledge of the BC Society's Act are essential, experience in the non-profit sector is an advantage.

If you are interested, please contact Joanne at butler1502@outlook.com please include Board Treasurer Position in the subject line.

Thank You!

Where would we be without our dedicated volunteers?!

Bruce, Leslie, Katherine, Suzanne, Atiya, Manjot and Mikaela, and Wilma

Dedicated Fosters

Michelle, Norine, Eileen, Carmen, Ronnie, Tabitha, Haley, Jenna, Bree and Bruce. Thank you for your ongoing care from our bottle feed babies, semi feral, and our special needs felines
